

Which consent form for which step

Rule 13(1)(f) requires clinics to maintain Forms 6–13; Rule 13(2) requires ART banks to maintain Forms 14, 14A, 14B and 15. Numbering per the notified Rules.

Form map

Form	Title in the notified Rules	Kept by	Typical trigger in the cycle
6	Consent form to be signed by the couple or woman	Clinic	Before any ART procedure begins
7	Consent for IUI with husband's semen/sperm	Clinic	IUI-H
8	Consent for intrauterine insemination with donor semen	Clinic	IUI-D
9	Consent for freezing of embryos	Clinic	Before embryo cryopreservation
10	Consent for freezing of gametes / sperm / oocytes	Clinic	Before gamete cryopreservation
11	Assent for freezing of gametes and parental consent (minor)	Clinic	Fertility preservation for a minor
12	Consent for oocyte retrieval	Clinic	Before OPU
13	Consent form for the donor of oocytes	Clinic	Oocyte donor, before retrieval
14	Record of use of donor gametes	ART bank	Every issue of donor gametes
14A	For oocyte donors (record)	ART bank	Oocyte donor recruitment / screening
14B	Oocyte–embryo record	ART bank	Tracing oocytes to embryos
15	Consent form for the donor of sperm	ART bank	Sperm donor

Working layouts only — these are NOT the statutory consent forms. Use the notified Forms 6–15 of the Assisted Reproductive Technology (Regulation) Rules, 2022 (G.S.R. 419(E), 7 June 2022). Beware the 2022 DRAFT Rules circulating online, which number the consent forms differently. Template by MedStream · medstream.in · free to use and adapt.

Per-cycle consent checklist

One sheet per couple / woman per cycle. Nothing proceeds until every applicable line is signed, dated and filed.

Cycle

Couple / woman — name, UHID	
Cycle no. · protocol	
Treating gynaecologist · embryologist · counsellor	
Language consents explained in · interpreter (if any)	

Checklist

Form	Applies? (Y/N)	Counselling done (date, by)	Signed by (both partners / woman / donor / guardian)	Date & time signed	Witness	Filed at (physical / e-record ref.)	Checked by
6 — couple or woman							
7 — IUI husband's semen							
8 — IUI donor semen							
9 — freezing embryos							
10 — freezing gametes							
11 — minor: assent + parental consent							
12 — oocyte retrieval							
13 — oocyte donor							
Donor gametes — ART bank reference (Forms 14/15 held by the bank)							

Before the procedure

☐ Every applicable form is the notified version (G.S.R. 419(E)), not a draft copy ☐ Both partners signed where the form requires it ☐ Counselling recorded before signature ☐ Explained in a language the patient understands ☐ Storage period and what happens on expiry explained for Forms 9/10 ☐ Donor gametes sourced only through a registered ART bank
